RE: Montamer Corporation v. Hartford Insurance Co.
 07-CIV-6531 (SCR) (LMS)

Dear Magistrate Judge Smith:

This letter is written to advise the Court of a unanticipated scheduling issue that has arisen in this matter. My firm is advised by our client Ratko Picuric, the principal of the plaintiff Montamer Corporation, that his mother-in-law is very ill, such that Mr. Picuric and his wife have scheduled a trip to Europe from July 2 through July 25 to be with her. As Mr. Picuric wishes to be present for the depositions which had been tentatively scheduled during the month of July, we respectfully request a 60 day extension of the discovery deadlines in this matter. We have advised the defense counsel of this development, and it is the understanding of the undersigned that they graciously agree to accommodate the plaintiff regarding the above. We hope to address this issue at the June 23, 2008 conference.

Thank you for your consideration in this matter.

Very truly yours,

FINKELSTEIN & PARTNERS, LLP
